OFFICE OF DIRECTOR SECONDARY EDUCATION, HARYANA PANCHKULA

ORDER

No. 6/112-2015 PS (2) **Dated, Panchkula, the** 5-2-2016

This order of mine shall dispose of a complaint dated 29.07.2015 against Dayal Singh Public School, Sector-7 Karnal which was filed by parents association, Karnal. In the complaint, various allegations were levelled by the association against the school e.g. that the Principal of the school has struck off the names of their wards and the school has increased the fee and funds without justifying the same to the Department whereas the school management had surplus funds. The District Education Officer, Karnal vide their order dated 15.04.2014 had specifically directed the school not to increase fee without getting no objection certificate from their office and directed the school management to charge only fee in accordance with the fee structure of 2013-14. Despite the directions of the D.E.O, Karnal, the school expelled the students on the ground that they are not paying fee on 2014-15/2015-16 pattern. The school did not put up justification for increasing the fee and funds. Consequently D.E.O, Karnal directed vide order dated 28.07.2015 to re-admit the expelled students but the school management did not obey the orders of D.E. O, Karnal.

The action of the school management as explained above was viewed seriously and a show cause notice under Rule 43(1) of the Haryana School Education Rules, 2003, amended in 2007 was issued on 31.03.2015 to the school management as to why the recognition/NOC granted to their school may not be withdrawn from the next academic session 2016-17. Rule 43 of the rules is reproduced as under:-

> **"43(1) The appropriate authority may withdraw/suspend the recognition/NOC of a school after giving reasonable opportunity against the proposed action to be taken against the school in the following circumstances:-**
>
> **(a) x x x x x x x x x x**
> **(b) x x x x x x x x x x**
> **(c) If the managing committee of the school obtains recognition/NOC by fraud, mis-representing or suppressing any particulars or after obtaining recognition/NOC fails to continue to comply with any of the conditions specified in these rules the appropriate authority after giving a reasonable opportunity and one month notice to show cause against proposed action can withdraw recognition/NOC."**

The school management submitted its reply to the show cause notice on 02.09.2015. In the reply, the society submitted that M/s Dayal Singh College Trust Society is a registered Educational Trust and it was originally registered with the Registrar of Joint Stock Companies Punjab vide Registration No. 39 dated 19.10.1951 and now the society is registered under the Haryana Registration and Regulation of Societies Act, 2012 vide Registration No. 01414 dated 12.03.2015. It has also been submitted that apart from the educational activities, no other activity is carried out by the Trust and no donation or capitation fee directly or indirectly is collected or charged from the students. The staff of the school is being paid salaries as per the recommendations of 6th Pay Commission and DA and HRA is being paid at par with the Haryana Govt. Employees alongwith other retiral benefits like Gratuity, EPF and Leave Encashment etc.

In response to the allegations regarding the strucking of the names of the children, the school management has submitted that it was not done arbitrarily but only after showing a lot of restraints and fulfilment of conditions under Rule 24 of the Haryana School Education Rules, 2003. There are 70 un-aided private schools in the district whereas the Abhibhvak Ekta Sangh has only targeted our school despite our nominal fee structure rather less than some other schools in the region. The fee structure of the school was duly intimated in the notified Form-VI to the concerned DEO.

Thereafter the matter was referred to the Fee and Funds Regulatory Committee (in short FFRC) headed by Divisional Commissioner, Rohtak under Rule 158-A of the Haryana School Education Rules (amended) 2014. During the proceedings before the Divisional Commissioner, Rohtak, detailed submissions and explanations were made with respect to the various queries raised by the Chairman FFRC and after hearing the Abhibhavak Ekta Sangh, the FFRC found the fee and funds being charged by the school to be justified. Any party aggrieved by the order of FFRC could file appeal before the Administrative Secretary within a period of 30 days from the date of passing of order under Rule 158, which having been lapsed. Thus the order dated 12.06.2015 has attained finality.

The Society further submitted that Rule 24 (1) (a) of the Haryana School Education Rules stipulates that the name of the students shall be struck off if he or she does not deposit the fee for 10 days after the last day of payment. In spite of that, the school did not struck off the names of the students throughout the year. Parents were requested time and again through SMS, telephonic calls, written notices to deposit the outstanding fee. At the time of Annual Examination, the parents who had not paid the full fee were finally requested to deposit the pending fee before appearing in the exams. The DEO, Karnal during

visit to the school on 12.02.2014 as well as in a meeting held at S. D Sr. Sec. School, Karnal with representatives of all private schools in the district on 16.02.2015 instructed to withhold their results in case they did not pay the fee till that time. They complied with her directions and allowed the students to sit in the exams.

At the time of declaration of the results, the parents were again requested to pay the outstanding fees and get their results. Again the District Administration intervened and instructed us to give them their results with the condition that the parents will deposit the cheques for outstanding fee with the DEO office and these will be handed over to the school in case the decision of Fee and Fund Regulatory Committee, chaired by the Commissioner, Rohtak comes in favour of school and vice versa. Accordingly, 39 parents of 54 students deposited the cheques for outstanding fee with the DEO, Karnal. The directions were complied with in letter and spirit. Results were handed over to the students as per the directions. The school even allowed the students to continue their studies in the next session i.e. 2015-16 in spite of non-payment of the outstanding fee. Since the parents did not deposit the fees despite several reminders, names of 11 students of 7 parents were struck off as per rule with effect from 17.07.2015 and they were duly informed through SMS.

It has also been submitted by the society that the notice containing allegation referring to generation of surplus and diversion of funds though does not come within the purview of section 158-A of the Haryana School Education (Amendment) Rules, 2014, yet in good conscious we would like to apprise your good office that the Hon'ble Supreme Court in the Review petition (C) No. 1368 (2004) of the Action Committee, unaided Pvt. Schools & Ors, has confirmed that so long as there is transfer of funds from one institution to the other under the same management, there cannot be any objection from the Department of Education. It has been further submitted that it is wise to maintain a development fund for future plans, for expansion and for betterment of institution and to keep the institution financially sound. Further, surplus fund is essential to meet the contingent requirement and to meet unforeseen liabilities, like Government of India's notification dated 31.12.2009 implementing Gratuity for private schools teachers with retrospective effect from 03.04.1997 which created a huge liability (in crores) on the school, it was mentioned that to meet such unforeseen liability, if fee is increased in one year only, it would create huge hardship to the parents and similarly educational institutions in Haryana were previously exempted from payment of property tax. He submitted that now, however, the school has received a demand notice of Rs. 49,35,398/- from the local authorities which liability we cannot escape and naturally, it would not be

possible to meet such unforeseen expenses by increasing huge fee in one year only in the absence of surplus or accumulated funds. It is further stated that the school was in the process of constructing additional class rooms and activity rooms etc. which was necessitated to provide additional activities for the students and due to the disturbance created by the Abhibhavak Ekta Sangh, they had to postpone the same he argued that the Trust Society is only custodian of all the assets and controls and supervises construction and other development activities related to education only in all of our schools and the land was allotted to the Trust/Society only for the schools and educational institutions. He submitted that the funds transferred by the school are only used for the betterment and expansion of the education which is the only objective of the Trust society and the same is also allowed by the CBSE Bye laws.

During the course of hearing, the complainant Abhibhavak Ekta Sangh has also submitted that the numerous complaints are pending against Dayal Singh Public School, Karnal with the State Educational Authorities on account of violation of rules, regulations and instructions of the Department. In support of their complaints, the Sangh has pointed out some letters of the Education Department/DEO as under:-

i. Letter no. PS/13/1645-49 dated 28.03.2013 issued by DEO Karnal to above mentioned school regarding refund of illegally hiked fee. In the letter DEO Karnal clearly mentioned that in case of defiance NOC of school will be withdrawn.

ii. District Education Officer, Karnal vide order No. 134-A/14/94 dated 15.04.2014 issued orders that the school cannot hike their school fee without obtaining NOC. Annual/Admission charges can be taken only in 1st, 6th, 9th and 11th class. Smart class and computer fee cannot be taken. Fees of 2013-14 will be taken by the school in the session 2014-15.

iii. A meeting was held with the representatives of Private Schools. The copy of proceedings of meeting with private schools (08.02.2014) and Abhibhavak Ekta Sangh in which DEO was conveyed to the school Principals not to charge annual fee, smart class fee, etc. Admission fee can only be taken in 1st, 6th, 9th and 11th.

iv. Copy of proceeding of meeting with the private schools (09.05.2014) in which schools were conveyed the rules and regulations by DEO, Karnal. In this meeting, special emphasis was put on the harassment of children by Dayal Singh Public School, Sector-7, Karnal. Education Department has conveyed its displeasure over this issue. In this meeting, the matter came up regarding the surplus funds of

year and 1.90 crores in previous year. Abhibhavak Ekta Sangh has also asked the school to submit its balance sheet for the last 10 years. Mr. N. K Bhandari representing the school did not reply to this question. This was conveyed to school that the school can be run on no profit no loss basis and utilization of existing reserve funds is essential before any fee hike. Schools Association's President took time up to 21.05.2014 to resolve this issue.

v. DEO, Karnal issued show cause notice vide no. PS/14/1376-80 dated 14.05.2014. Reply of Dayal Singh Public School, Sector-7, Karnal that they will not torture the children and will not force to deposit the illegitimate increased fees.

vi. Letter of DEO No PS/14/1396-1401 dated 27.05.2014 written to Commissioner, Rohtak Division recommending for taking disciplinary action against Dayal Singh Public School, Sector-7, Karnal.

vii. Letter of DEO No. PS/14/1344-45 dated 20.06.2014 written to Dayal Singh Public School, Sector-7, Karnal asking the school to submit record.

viii. Reply of Dayal Singh Public School, Sector-7, Karnal DSCT/17/1761 dated 24.06.2014 conveying their inability to provide the record.

ix. Reply of Dayal Singh Public School, Sector-7, Karnal no. DSCT /17/1920-22 dated 08.07.2014 further conveying their inability to provide the record.

x. Letter of DEO, Karnal no. PS/14/1372-74 dated 10.07.2014 to Commissioner, Rohtak Division, Rohtak to take disciplinary action against Dayal Singh Public School, Sector-7, Karnal.

xi. Proceeding of meeting of DEO, Karnal and private schools on 16.02.2015 in which schools have been asked why they have not attached the Audited Revenue Account and Balance sheet, along with NOC of concerned Board, excess of surplus funds utilisation and justification of fee hike by school. Also in this meeting, schools have been told clearly and categorically that they cannot charge Annual Charge, Activity, Smart Class Fee as this is a refined form of Capitation fee, which is not approved by DEO/Deptt. of school Education, Haryana and as such is not allowed. As per Haryana Govt School Education Act, Admission fee can only be charged in 1st, 6th, 9th and 11th class. Schools have been advised to submit their revised Form-VI along with necessary documents. Also, schools have been categorically told to make NCERT books as sole text books. They

have been ordered to go for fee hike only after consumption of surplus funds.

xii. Letter of DEO No. PS/15/2017-21 dated 03.03.2015 to Commissioner, Rohtak Division to take disciplinary action against Dayal Singh Public School, Sector-7, Karnal.

xiii. Private schools that are the violators of rules have been viewed by Deputy Commissioner, Karnal very seriously and emphasized that rules to be followed in true spirit which includes non-charging of smart class fee, computer fee, activity fee or any other fee under unapproved heads. Also only NCERT books will be endorsed as sole text books. Also, upper limit of students in a class is 40 students. Also, advised the schools to give direction to their bankers for accepting the fees as per rules.

xiv. Inquiry report of BEO, Karnal in which the Inquiry Officer has found that the school is charging fee under unapproved heads, under the pretext of smart class, computer class, activity fee, etc. the Inquiry Officer found several complaints regarding torture of students by Dayal Singh Public School, Sector-7, Karnal. Inquiry Officer has recommended strict action against the school.

xv. As per Haryana Government, School Education Department order No. 8/27-2013 PS (2) dated 04.03.2014 it was clearly mentioned that schools cannot indulge in profiteering. Also, there was clear direction that the funds cannot be diverted elsewhere. In this order it was also emphasized that no charges such as capitation fee can be taken from children. Admission fee can only be taken in class 1st, 6th, 9th, and 11th or fresh entry in the school. Also, it was clearly mentioned in the order that Govt. can direct the concerned institution to refund the capitation fee or excess fee. Govt. can also recommend withdrawal of recognition/affiliation and the Director shall pass the orders accordingly. In the case of Dayal Singh Public School, Sector-7, Karnal, the BEO has pointed out that the school management has increased the fee without utilizing the huge reserve funds and without taking the NOC. It was also observed that the school transferred the reserve funds whereas the school have to run on no profit no loss basis and moreover, the clear direction of Commissioner Education Department of Haryana vide No. 7/4-2009 PS (2) that school fee can be increased in case of deficit only. Whereas in the present situation, the school has increased the fee in an unjustified manner to grab the money from the pockets of the

parents instead of utilizing the reserve funds which is the legal way to meet with their demands. But in the present case, this huge amount was transferred to the trust account for utilizing the money by trustees at their own will and pleasure. These evil designs of the school management clearly depicts that they have no intention to comply with the instruction or to work for the welfare of the students.

xvi. The school management is charging excess fee and capitation fee forcibly in the shape of various kinds of funds/charges like Smart Class Fee, Computer Charges, Development and Activity Fee, Physical Education Fee, Maintenance Fund etc. which is against the rules. The above facts have proved in a crystal clear manner that increasing the school fee is absolutely violation of rules.

Besides the above, a show cause notice was issued by District Education Officer, Karnal also on 15.05.2015 which was challenged by the School Management by way of filing CWP No. 12016 of 2015. This writ petition was dismissed by the Hon'ble High Court vide its order dated 29.05.2015 with the following orders:-

"This petition has been filed against the show cause notice attached as Annexure P-44 dated 15.05.2015 asking the petitioner to file its reply within 15 days.

Instead of filing reply to the show cause notice, the present writ petition has been filed which is apparently premature and, thus, no interference is called for at this stage. However, the petitioner may, if so advised, file reply to the show cause notice and in case any adverse order is passed, they are free to approach this Court again.

Dismissed."

The aforesaid order of the Hon'ble High Court would show that the school management has made endeavour not to take care of the show cause notice. The school management instead of making compliance of the provision of rules, directions and instructions of the Department, challenged the same in the Hon'ble High Court. As contended by the school management that their fee structure has been approved by the FFRC, it is stated in this context that while disposing of the complaint against the school regarding charging of excess fee and funds from the students, the FFRC has directed as under:-

"As far as the allegation regarding transfer/diversion of funds by the school to the Trust is concerned, though, this issue does not come in the purview of this Committee but, however, this issue also needs to be considered and disposed of by the Education Department in the light of the following observation given by Hon'ble High Court while deciding CWP

No. 20545 of 2009 vide order dated 09.04.2013 titled as 'Anti Corruption & Crime Investigation Cell Vs State of Punjab and Others' in para 44(v)-

It was also held that the Govt. can ensure that there is no transfer of amounts from the schools to the society in view of the provisions of rules and if any new school to be opened by the society or educational institute exploited the collection of money had to be in the nature of voluntary donation and for the expansion of education for future generation, unreasonable demand cannot made from the present students and their parents."

The balance sheets of the school submitted by the Abhibhavak Ekta Sangh were perused. After perusal of the same, it has been observed that as per balance sheet for the year 2012, the school has transferred an amount of Rs. 81,11,210/- (Rs. Eighty One Lakh Eleven Thousand Two Hundred Ten only) in the account of Trust and as per balance sheet for the year 2013, the school was having an amount of Rs. 2,30,86,196/- (Rs. Two Crores Thirty Lakh Eighty Six Thousand One Hundred Ninety Six only) as surplus fund.

After hearing the rival contention of the parties and perusal of the relevant record, I have come to the conclusion that although there is no such recommendation of withdrawal of recognition/NOC of the school by the FFRC, the school management has violated the directions of District Education Officer, Karnal and also violated the Departmental instructions and rules, whereas in the present situation, the school has increased the fee in an unjustified manner to grab the money from the pockets of the parents instead of utilizing the reserve funds which is the legal way to meet with their demands in the present case, this huge amount was transferred to the trust account for utilizing the money by trustees at their own will and pleasure. These evil designs of the school management clearly depicts that they have no intention to comply with the instruction or to work for the welfare of the students. In addition to the above, 24 complaints of the students/parents against the school have also been received in the Department regarding the charging of excess fee and funds from the students. Thus, by doing so the management has made itself liable for penal action in accordance with the relevant rules. That reply submitted by the management is not satisfactory and in this way I am not inclined to take any lenient view against the school management.

In view of the above, I am of the considered view that the recognition/NOC granted to the school upto 12th level i.e. Dayal Singh Public School, Sector-7, Karnal vide No. 23/202-2001 S-1 (3) dated 29.06.2001 deserves to be withdrawn w.e.f 01.04.2016. The school

management is directed not to make any admission for the next academic session.

I pass order accordingly.
