1/73-2016-eGov./ITCell
Dated: 15-11-2016

As you are well aware that, the Aadhar Enabled Biometric Attendance System (AEBAS) has been functional in your district. Requisite IT infrastructure i.e. finger print devices in all High/Senior Secondary Schools & all offices and BAS Tablets in all independent Middle and Primary Schools of 10 districts for AEBAS has been provided. Attendance reports of employees of your district are available in simple formats in the online dashboard of your account.

Full advantage of AEBAS can be realized only when it is monitored meaningfully. Towards this, it is imperative that the database of employees is updated from time to time and reports generated are used for monitoring and ensuring punctuality on regular basis. Needless to say, the physical security as well as upkeep and maintenance of the biometric devices installed for AEBAS in your office/schools must also be ensured.

A new website page is also developed for AEBAS related information which can be viewed by visiting the website <http://schooleducationharyana.gov.in/AEBAS.html>. This Page contains guidelines, instructions, user manual and all other documentation issued till date by Government/Department. This may be brought to the notice of all concerned i.e. Technical Resource of your office and BEO/BEEO, Principals/ Head Masters etc.

Report of attendance as on 11.11.2016 is attached herewith for your information along with list of locations having zero attendance for taking cognisance in the matter at your end.

All concerned may be intimated to mark their daily attendance on AEBAS failing which strict action shall be initiated against the defaulters.

Yours Sincerely

(R.S. Kharb)

All District Education Officer

All District Elementary Education Officer
