**Subject: Regulating the disbursement of one month salary in lieu of the LTC facility under the revised scheme of LTC – Special dispensation in cases of employees who are likely to superannuate on or before 31<sup>st</sup> August, 2009 – guidelines regarding.**

Sir,

I am directed to invite your attention to the subject cited above and to say that the revised scheme regulating the compensation in lieu of LTC facility available to the officers of the State Civil Services notified vide letter NO. 13/19/2008-2SII dated 18<sup>th</sup> May, 2009 envisages that the 'entitled amount' shall be debitable on the object head: '70 – Leave Travel Concession' under the scheme/sub scheme to which the Pay and Allowances of the concerned employee is debited. However, in some of the cases, there are not sufficient allocation in the respective object head '70 – L.T.C.' to satisfy the claims. Instructions are being issued separately to take care of this limitation.

2. In the meanwhile, problems have been projected from some quarters that insufficiency of allocation in the relevant L.T.C. head is posing hardship in cases of employees who are likely to superannuate shortly as in their cases if the entitled disbursement to the eligible employees are not made before their superannuation, they will be deprived of the benefit on this account completely.
3. Accordingly, it has been decided that:
  - i. While utilizing the available allocation in the object head '70-L.T.C.', preference should be given to satisfy the claims of such of employees who are near the stage of superannuation. Such claims, if preferred and found eligible, should ideally be serviced/satisfied three months prior to the date of superannuation or, as the case may be, three months prior to the date terminal end of the respective block.
  - ii. In all such cases where there is still a shortfall in the allocation to satisfy such claims, for satisfying the eligible claims pertaining to the

employees that are likely to superannuate on or before the 31<sup>st</sup> August, 2009, available allocation under the object '04-Travel Expenses' may be utilized.

- iii. In cases where even the mechanism as authorized under sub para (ii) above fails to satisfy the eligible claims pertaining to the employees that are likely to superannuate on or before the 31<sup>st</sup> August, 2009, available allocation under the object head '01-Salaries and 02-Wages' may be utilized to satisfy them.
  - iv. The concerned H.O.D. shall be competent to sanction the diversions as authorized in terms of sub para (ii) and (iii) above.
  - v. A complete record of such diversion may be maintained at the level of H.O.D. concerned.
  - vi. For all the other cases, allocations may be sought from the F.D. through the prescribed procedure and in terms of instruction on the subject issued separately.
4. These instructions should be brought to the notice of all concerned for strict compliance and taking such appropriate measures that are required/warranted.

**Subject: Regulating Disbursement of one month's salary in lieu of LTC facility under the New Scheme of LTC.**

Sir,

I am directed to invite your attention to the subject noted above and to say that the State Government vide letter No. 13/19/2008-2SII, dated 5.5.2009 and 18.5.2009 has introduced a new scheme regulating LTC for visiting home town and any place in India. The New LTC Scheme envisages a lump sum payment of one month's salary to be permitted to the eligible employees once in a block of 4 years.

2. After careful consideration of the matter, in order to curtail the excessive cash outflow on account of implementation of the New LTC Scheme, the State Government has taken the following decisions:-

i) All the State Public Enterprises and Autonomous Organisations funded by the State Government which have adopted the New LTC Scheme should earmark a specific amount to be disbursed under the said scheme in a given financial year keeping in view their turnover/revenue. The amount so earmarked should not exceed the amount disbursed under the New LTC Scheme in the previous year.

ii) LTC should be allowed to the employees who are retiring in the current financial year, i.e. 2010-2011 up to March, 2011.

iii) After providing LTC to those who are retiring in the current financial year (2010-2011), if earmarked funds are available then the LTC as per entitlement should be admissible to those who are actually proposing to go on LTC.

iv) If the earmarked funds are still available after (ii) & (iii) above, priority may be given to the employees in order of seniority for LTC.

You are requested to ensure strict compliance of the above decisions.

Yours faithfully,
