- Enroll now for Course 1

Shaping the way we teach English, a Massive Open Online Course (MOOC), is a free program for current and future educators of English as a Foreign Language (EFL) to improve the quality of their teaching methods.

The new course will begin in January with two separate 5-week sessions separated by a two week break. The course offers a unique, multimedia-rich collaborative environment where participants can interact with top-ranked English-language educators from all over the world.

Participants will have access to asynchronous materials and methods and interactive discussions forums that will allow participants to share ideas with each other to enhance their English language teaching expertise. The benefits of this course will enable educators to establish, adapt, and evaluate their methods, materials and classroom activities to improve their students' study of English.
