

## YOU THINK YOU CAN TEACH?

The UTKARSH society needs quality teaching material for the EDUSAT programme. We require quality video lectures (filled with animation/usage of teaching aids) reflecting creative teaching techniques and clear vocal delivery.

We invite all citizens who think they can teach to submit video entries for any lesson/chapter of any subject for the classes 1<sup>st</sup> to 12<sup>th</sup> based on Haryana School Syllabus.

The persons who send their entries should have command over their subject, be ICT friendly (able to use animation/ graphs/ videos /teaching aids to explain hard-spots in the chapter) and be able to keep the interest of the child alive throughout the lesson. The speaker should also ensure that besides teaching the lesson he is also able to evaluate and show (through questions/suggestions etc) whether the children have understood the topics or not.

### **ELIGIBILITY:**

Any citizen (including international) can submit their video product.

Only one video product per citizen should be submitted.

Lesson taught should be as per Haryana syllabus. Syllabus can be downloaded from [www.schooleducationharyana.gov.in](http://www.schooleducationharyana.gov.in)

Our school textbooks are also available in digital (pdf) format on the above website.

Lesson should be recorded before a live class of children

Video should also bring out the fact that children have understood what was taught

Duration of video lesson should be only 40 minutes (since we have 40 minute periods in our school curriculum).

### **SUBMISSION OF VIDEO LECTURE:**

You may create your account on [www.youtube.com](http://www.youtube.com) and upload your video (naming the subject, class and chapter) and send us the web-link for accessing your video product.

### **SELECTION PROCESS:**

The videos shall be viewed by a committee of experts on each subject; selected/shortlisted videos shall then be shown to a select audience and an age appropriate classroom of children; the highest rated video shall then be put on Edusat for telecast across the state.

### **HONORARIUM AND AWARD:**

The video lessons which are finally selected shall be telecast on EDUSAT.

A cash award of Rs. 5000/- per video lesson/product shall be given from UTKARSH society.
