To

All District Education Officers in the State
All District Elementary Education Officers in the State
Memo No. – 1/66-2015-e-Gov
Dated 22nd June, 2015

Subject: Providing internet connectivity to schools for uploading data on MIS portal

Kindly refer to the subject cited above.

Govt. of Haryana, School Education Department vide letter no. 1/26-2014-IT Cell dated 27.03.2015 has issued detailed order regarding implementation of the Management Information System (MIS). In this regard, it has been observed that some primary schools need internet support to complete data upload on MIS and to update it on a periodic basis.

The matter has been examined and it has been decided to that all School Heads and DDOs in case of Primary Schools can utilize school funds for getting the internet connectivity (wired/wireless) from the service provider easily available in the area by incurring **expenditure maximum of Rs. 1200/- per month per school out of the school funds available**. However, appropriate accounts should be maintained in such manner that the same could be presented to the Audit. These instructions will cease to exist as and when the concerned school is connected through National Optic Fiber Network (NOFN).

This has been issued with the approval of the competent Authority.
