Government of Haryana
 School Education Department

Order

No. 13/6-2015 PGT-II (3)

Dated, the 05.04.2017

While preparing the seniority list of Lecturers/PGTs (school cadre) the teachers' data available with the IT Cell, MIS Portal and other service record of recruitment/ promotions has been made use of. The list has been prepared in two parts.

The Part-I of the list consists of the Lecturers/PGTs who figured in the provisional seniority list circulated on 01.10.2011. For this part, a detailed order, dealing with the complexities of recruitment of 1991 to 1993 and resultant seniority matters, was issued on [23.12.2016](#). Thereafter, a few fresh objections were received and the same objections have been examined and considered. As a result, the Part-I of the list has been amended slightly corresponding to the accepted objections.

The finalized Part-I of the seniority list contains numbers from 1 to 8592 and the same is appended herewith for knowledge and use of all concerned.

To prepare inter se seniority list of entire cadre of Lecturer/ PGTs (School Cadre) the department has prepared the Part-II of the seniority list also with numbers 8593 onwards and such Part-II is appended herewith. The Part-II of the seniority list is a tentative seniority list. If any teacher wants to file any objection with regard to Part-II then he/she can send such objections at eduhry.pgtseniority@gmail.com

In this regard it is important to note that, in case of any direct recruitment, where the recruitment process was initiated through a common

advertisement issued by the recruiting agency for all subjects on a single date, then all lists of recommendations, originating from such *integrated recruitment process*, regardless of the date of recommendation or joining, have been allocated a common place in the *inter se seniority* prepared hereinabove. A single *integrated recruitment process* has been treated as single integrated recruitment notwithstanding any difference in the date of recommendation/ date of appointment order/ date of joining. It is further important to note that, to devise *inter se seniority* the rational of inter se merit has been derived by keeping candidates of same merit of different subjects in one packet. It necessarily means that a single packet has a unique merit. The inter se merit in single packet has been decided by the age criteria by giving highest seniority to the candidate of highest age, so on and so forth.

Similarly, in case of promotions, the *inter se seniority* has followed the cutoff date of eligibility. All cases which have been promoted under that cutoff date have been given *inter se seniority* of the feeder cadre. Further such cases have formed a single *compact group* to be placed in the combined *inter se seniority* list at a *common place*.

This issues with the prior approval of the competent authority.

Virender Singh, HCS
Joint Secretary to Govt. of Haryana
School Education Department,
Panchkula
