SECTION-I

INVITATION FOR BIDS

1.1. Information & Communication Technology (ICT) Education Project

The Government of Haryana through Department of School Education has taken number of initiatives in the past years to provide IT Infrastructure & IT education in Government Senior secondary Schools of the state. The Department of School Education, Government of Haryana has launched Information and Communication Technology (ICT) Education Project for providing computer education to students in Government schools to integrate & leverage ICT in school education for expanding livelihood opportunities in knowledge sector of the economy. The ICT Scheme has been implemented in 3350 schools through private partnership of ICT Companies namely M/s Core Education & Technologies Ltd., Mumbai, M/s HCL Infosystems Ltd., M/s San Media, Chennai, M/s Everonn Education Ltd., Chennai on BOO/BOOT model. The contract for the period of 5 years was signed on different dates with these companies. Infrastructure such as computers, UPS, DG Set, Printer, Projector, networking of computer lab and system software installed in each lab of these Schools. The term of the contract signed with M/s HCL Infosystems Ltd. will be expiring on 18.01.2015. Department of School Education intends to outsource the Operation and Maintenance (O&M) including insurance of the existing hardware & software at 390 Government Senior Secondary Schools under ICT project phase-II for a period of next three years after expiry of the contract. The selected Maintenance Service Provider (MSP) will be paid total service cost in quarterly installments for providing Operational and Maintenance support for the IT infrastructure during 3-year period.

Accordingly, sealed bids are invited from the reputed National and/ or International Company for Operation & Maintenance (O&M) support of IT infrastructure whose detailed technical specifications are given in Section IV.

1.2 The Maintenance Service Provider (MSP) would be responsible for carrying out the maintenance task during the contract period of 3 years for maintenance of hardware & software by doing preventive maintenance, service maintenance and corrective maintenance as under:-

1. Hardware:

Keep the infrastructure including Hardware, software, networking up & in running condition as per the service levels prescribed by providing the required support and services.

- i. Deploying support engineers to ensure the service level/ uptime agreed in the Service Level Agreement (SLA) at appropriate locations for maintenance, trouble-shooting and repair purposes.
- ii. The Selected Bidder shall be required to setup at-least five storage centre for spares parts and with adequate number of resident engineer for service support in each of the 15 districts, where M/s HCL had setup ICT Labs in 390 Schools across the State Haryana.

2. System Software:

1. Ensure smooth functioning & support of system software installed in the labs.

Request for proposal (RFP) for maintenance of 390 ICT Labs

2. Installation or reloading of system software products as decided by the client.
3. Comprehensive management for trouble-shooting of computers already installed infrastructure (System software, Application Software, School Management System, Web based fault logging System, Office productivity and development).

1.3 **Bid conditions**

1. This invitation to the Bidders is for selecting the Hardware/System software Maintenance Service Provider (MSP) for 3-year Operation & Maintenance Contract of Existing IT infrastructure.
2. Bidders are advised to study the Tender Document carefully. Submission of Tender shall be deemed to have been done after careful study and examination of the Tender Document with full understanding of its implications.

3. Validity of bids is 120 days from the date of submission of bid.

- 1.4 **Performance Bank Guarantee:** The service provider shall be required to deposit a security for due performance of the contract in the form of irrevocable bank guarantee on any scheduled/nationalized bank at Panchkula amounting to **10% of the Annual Contract Value**, pledged in favour of **Directorate of School Education, Haryana, Panchkula** valid for a period of six months from the date of expiry of the stipulated period of contract. **The Performance guarantee** can be revoked at Panchkula bank branch in case of violation/ non-performance of contract. The service provider shall be required to deposit requisite amount of performance guarantee within 15 days from the date of issue of acceptance letter sent under registered cover or telegram failing which the order shall be withdrawn at the discretion of the client & the **Earnest Money Deposit** of the bidder shall be forfeited.

1.5 This Tender document is not transferable.

1.6 The Directorate of School Education reserves the rights to reject any bid or all the bids without assigning any reasons and revising quantity, fine-tuning specifications as per requirement of Government of Haryana before opening the commercial bids.

1.7 The bidder will accept all conditions of the Bid Document unconditionally or depending upon the decisions of the Tender Evaluation Committee.

Note: The Client shall not be responsible for any postal delays about non-receipt/ non-delivery of the documents. All late bids/ incomplete bids would be rejected out rightly

Request for proposal (RFP) for maintenance of 390 ICT Labs

SECTION II

Sector/ PSUs/ Banks in the last three years. Please attach proof of certificates of running/completion satisfactorily of these projects from respective clients.
- 7.5 The bidder must have at-least 30 field engineers for repair and maintenance support on the direct payroll of Bidder Company. Attach the copy of list mentioning their Name, Mobile Number, and Place of Posting. Proper ID card of personnel issued by MSP mentioning clearly the designation as per the work assignment.
- 7.6 The Bidder must have valid PAN issued by Income Tax Authorities, India. Attach copy.
- 7.7 The Bidder must have valid Service Tax No., Sales Tax/ VAT No. & CST Number. Attach copy.
- 7.8 Bidder must have Online Call Registration System and a dedicated Call Centre with toll free numbers to register the hardware related complaints. The list of Phone Numbers of Call Centre and the URL of Online Call Registration System will be intimated before signing the contract. If toll free number facility is not existing, the bidder will arrange the facility before start of support services

8. Technical Bid shall consist of the following: -

Bidder must submit papers on detailed methodology including deployment of manpower for Operation and Maintenance (O&M) of hardware and software products during the period of three (3) years.

9. Commercial Bid consisting of the following: -

The commercial bid shall be furnished as per Proforma IV of Section-V attached.

Request for proposal (RFP) for maintenance of 390 ICT Labs

SECTION -III

1. Terms and conditions of the tender

- 1.1 The client reserves the right to carry out the capability assessment of the bidders and the client's decision shall be final in this regard.
- 1.2 The individual signing the tender or other document, in connection with the tender must certify as to whether he or she has signed as :-
- a) A "Sole proprietor" of the firm or constituted attorney of such sole proprietor.
 - b) A partner of the firm, if it be partnership, in which case he must have authority to refer to arbitration disputes concerning the business partnership either by virtue of the partnership agreement or a power of attorney. In the alternative, all the partners should sign the tender.
- 1.3 The bidder shall not sub-contract any part of the contract without written permission of the client.
- 1.4 Qualifying & Evaluation Criteria
The Qualifying & Evaluation Criteria shall be as under:
- a) Relative weight-age of technical bid shall be 70% and of commercial bid shall be 30%.
- 1.5 Allocation of marks for evaluation of technical bid shall be as under:
- | | |
|-----------------|-----|
| Annual Turnover | 25% |
| Experience | 25% |
| Methodology | 50% |

2. Delay in the bidder's performance & penalty:

- 2.1 The bidder shall submit a performance Bank Guarantee of 10% of quoted contract value in the prescribed Proforma within 4 (four) weeks of the signing of the contract and would be valid for contract period of three (3) years.
- 2.2 An unexcused delay of Maintenance Service Provider (MSP) in the performance of its O&M obligations shall render him liable to any or all of the following penalties:-
- 2.2.1 To be calculated as per the Service Level Requirement (SLR), attached as Section VI.
 - 2.2.2 Forfeiture of Earnest money (Refundable) / Bank Guarantee.
 - 2.2.3 Hiding of facts, misrepresentation, corrupt practices by the Bidder if revealed at any stage, would amount to forfeiture of EMD/ bank guarantee and subsequently the firm may also be blacklisted.

3. Standard of performance

- 3.1 Hardware Maintenance Service Provider (MSP) shall carry out the O&M services under the contract with due diligence, efficiency in accordance with generally accepted norms techniques and practices used in the industry.
- 3.2 It shall employ appropriate advanced technology and safe and effective equipment, machinery, material and methods. Hardware Maintenance Service Provider (MSP) shall always act in respect of any matter relating to this contract, as faithful advisors to the client and shall, at all times, support and safeguard the

Request for proposal (RFP) for maintenance of 390 ICT Labs

clients legitimate interests in any dealings with the third party.

3.3 MSP's service support personnel

The MSP shall employ and deploy qualified and experienced engineers as per the requirements of O&M support to provide quality services under the contract and shall be available for resolving issues/complaints of the client as per escalation level to be given by MSP.

3.4 MSP Project Manager

The MSP shall ensure that all the times during the contract period, dedicated Project Manager with adequate qualification and experience acceptable to the client, shall take charge of the performance of the contract and shall be available for resolving the issues/complaints of the client as per escalation level to be given by MSP.

3.5 Terms and conditions of performance.

MSP must maintain the equipment for smooth operations as per the service level Requirement (SLR), attached as per Section VI.

The services shall be provided Mondays to Saturdays on working hours of the Government Schools.

MSP will be responsible for onsite comprehensive maintenance/ support during 3-year contract period. On-site comprehensive maintenance will include whole of the infrastructure viz. Hardware, UPS system software, networking, DMPs etc. Batteries is also covered under onsite comprehensive maintenance/support during 3-year contract period.

In case of default, the client has the right to arrange such task of maintenance/support at the risk and cost of MSP, from any other source and shall be deducted from his next payment.

In case the equipment is damaged due to negligence on part of MSP while conducting repairs or its maintenance/ performing his duty under the award of contract, then it would be the responsibility of the MSP to replace the equipment without any additional costs within such period and in such manner that it would not affect the functioning of the School.

MSP will do preventive maintenance once a quarter for upkeep and running of the infrastructure. This schedule will have to be adhered to strictly by him. Preventive Maintenance should generally be done on Non-working days/ Beyond General Shift Hours.

Client can move the equipment from one location to another with the help of MSP.

MSP shall provide the details of Support Centre's, Engineers, Coordinators and other relevant of service facilities to the users at various levels.

MSP must keep spare parts for smooth running of the equipment. The faulty parts arising out of replacements shall be the MSP's property.

In case of failure on part of the MSP Provider with regard to such services, MSP shall

Request for proposal (RFP) for maintenance of 390 ICT Labs

liable to be blacklisted and bank guarantee if any will be forfeited.

MSP shall be maintaining log register for complaints booking, resolution details etc. for the purpose of calculating penalties, if any, for re-contract of contract installment.

3.6 The MSP shall ensure proper maintenance of all the ICT equipment including but not limited to

Batteries: Maintenance/ Replacement of batteries of UPS System, DG set whenever required during the contract period at his own cost to ensure requisite backup. The bidder will ensure replacement of batteries at least once during the contract period of three years.

Cabling (Electrical & Network): Maintenance of Electrical Fittings for computers and other allied items as per the lab requirements. The material to be used should be ISI Marked.

Laser Printer: Maintenance of Printer, MSP should provide at least 4 toner per school per year & printer cartridge as and when required.

Projector: Maintenance of DLP Multimedia Projector (including UHP/UHE Lamp of suitable capacity).

Maintenance of DG Set

Supply of Diesel: MSP will provide the diesel and the department will reimburse the diesel bill quarterly. MSP will be responsible for breakage/theft of the Diesel-Can in schools.

Stationary: MSP will provide

A4 Size Paper: 4 Reams per quarter per School.

Legal Paper: 2 Reams per quarter per School.

Maintenance of Software Products: System Software, Application software, school Management System, Web based Fault logging System productivity & development tools utilities, antivirus, RDBMS etc.

4. Use of contract documents and information

Confidentiality:

- 4.1 The MSP shall not, without the client's prior written consent, disclose the contract or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of client in connection therewith to any person other than a person employed by the MSP in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only as far as may be necessary for purposes of such performance.
- 4.2 The MSP shall not use any document or information without the purchaser's prior written consent.
- 4.3 Any document other than the contract itself shall remain the property of the client and shall be returned (in all copies) to the client on completion of the MSP's performance under the contract if so required by the client.

5. Schedule of payment

- 5.1 The AMC payment shall be released quarterly on the basis of payment bills

Request for proposal (RFP) for maintenance of 390 ICT Labs

submitted by the MSP in the office of CEC Branch under Directorate of Secondary Education, Haryana which at present is operating from UTKARSH Society, DIET Building, Sector-2 Panchkula, during contract period of three (3) years.

5.2 The payment against the quarterly bills shall be made after deducting the penalties, if any, based on the SLA parameters.

5.3 The fault logging system/ log registers maintained in the schools/locations will determine the level of services according to Service Level Agreement. **Directorate of School Education** will process the submitted bills as per data available in the database of fault logging system and as per the certificate received from schools along with certificate for delivery of consumables and uptime and downtime of the equipment's under AMC.

5.4 No part payment will be made.

6 Price fall

6.1 The prices charged for the Services under the contract by the bidder shall in no event exceed the lowest price at which the bidder offered services of identical description to the Department of the Central or State Government or any Statutory undertaking of the central or State Government, as the case may be, during the currency of the contract.

6.2 If, at any time before the signing of contract the prices are lowered on account of any tax or other related activity, the bidder shall pass on these benefits to the client.

7. Taxes and duties

The bidder shall be entirely responsible for all taxes including service tax, entry tax, duties, and license fees etc. if any

8. Liquidated damages

In the event of the failure of the MSP to commence delivering the maintenance services to the Client as per the letter of award then he shall be liable for penalties per school as per under:

- Per week, 1% of the annual contract value shall be deducted subject to maximum of 4% (4 weeks).
- After 4 weeks, the penalties shall be doubled.
- In case the MSP still fails to deliver services beyond 8 weeks, the client reserves the right to take further actions for cancellation of work order for that school in addition to a penalty of 200% of the annual contracted value for that school shall be deducted from the other admissible payments against this AMC.
- Liquidated damages due to failure of MSP to commence maintenance services shall be covered by revoking Bank Guarantee/Security.

9. Termination for default

The client may, without prejudice, to any other remedy for breach of contract, by written notice of default sent to the MSP, terminate the contract in whole or in part if:

9.1 The MSP fails to deliver any or all of the obligations within the time period(s)

Request for proposal (RFP) for maintenance of 390 ICT Labs

specified in the contract or any extension thereof granted by the client.
9.2 The MSP fails to perform any other obligation(s) under the contract.

10. Termination for solvency

The client may at any time terminate the contract by giving written notice to the vendor without compensation to the vendor, if the MSP becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or effect any right of action or remedy which has accrued thereafter to the client.

11. Termination for convenience

The client may by written notice send to the vendor, terminate the contract in whole or in part at any time for its convenience. The notice of termination shall specify that termination is for client's convenience, the extent to which Performance of work under the contract is terminated, and the date on which such termination becomes effective.

12. No claim certificate

The Bidder shall not be entitled to make any claim, whatsoever, against the client under or by virtue of or arising out of this contract nor shall the client entertain or consider any such claim, if made by the vendor after he shall have submitted a "no claim" certificate in favour of the client in such forms as shall be required by the client after completion of the contract.

13. Suspension

The client may by a written notice of 15 days of suspension to the MSP, suspend all payments to the MSP under the contract, if the MSP fail to perform any of its obligations under this contract, (including the carrying out of the services) provided that such notice of suspension:

- 13.1 Shall specify the nature of the failure and
- 13.2 Shall request the MSP to remedy such failure within a specified period from the date of issue of such notice of suspension by the MSP.

14. Documents prepared by the MSP to be the property of the client

All plans, drawings, specifications, designs and other documents prepared by the MSP in the execution of the contract shall become and remain the property of the client, and before termination or expiration of this contract, the MSP shall deliver all such documents to the client under the contract along with the detailed inventory thereof.

15. Force Majeure

- 15.1 Notwithstanding the provisions of the tender, the MSP shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.
- 15.2 For purposes of this Clause, "Force Majeure" means an event beyond the control of the MSP and not involving the MSP and not involving the MSP fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the client either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes
- 15.3 If a Force Majeure situation arises, the MSP shall promptly notify the client in

Request for proposal (RFP) for maintenance of 390 ICT Labs

writing of such conditions and the cause thereof. Unless otherwise directed by the client in writing, the MSP shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The client may terminate this contract, by giving a written notice of minimum 30 days to the MSP, if as a result of Force Majeure, the MSP being unable to perform a material portion of the services for a period of more than 60 days.

16. Other Conditions

- 16.1 All disputes, differences, claims and demands arising under or pursuant to or touching the contract shall be referred to the arbitrator (**PRINCIPAL SECRETARY SCHOOL EDUCATION, HARYANA**) as per the provisions of the Arbitration Act. Such arbitration shall be held at Panchkula.
- 16.2 Department reserves right to cancel the tender at any time without specifying any reason for the same.
- 16.3 In all matters and disputes arising thereunder, the appropriate Courts at Panchkula alone shall have jurisdiction to entertain and try them.
- 16.4 The MSP shall provide training on appropriate aspects wherever desirable that client feels necessary to such persons as nominated by the client, wherever required.
- 16.5 In case the equipment is damaged due to negligence on part of MSP while performing his duty under the award of contract, then it would be the responsibility of the MSP to replace the equipment without any additional costs within such period and in such manner that it would not affect the functioning of the Government School.

17. Applicable law

The Agreement shall be governed by the laws and procedures established by Govt. of India, within the framework of applicable legislation and enactment made from time to time concerning such commercial dealings/processing.

List of Government schools where ICT infrastructure is installed

- List of 390 Government schools with location and List of ICT infrastructure installed in these schools is mentioned in **Section VII**.

		<p>c) Genset current d) Genset frequency e) Battery voltage</p>
3.3	Auxiliaries	<p>a) DC Ammeter (Battery charging) b) Hour meter</p>
3.4	Controls Panel Details	<p>The AMF should be compartmentalized and fabricated out of minimum 1.5 mm thick powder coated CRCA sheet steel housed within the Genset canopy.</p> <p>The panel should have accessibility to all components. Control wiring will be with 1.5 Sq. mm/0.5 sq. mm PVC insulated multi strand copper conductor depending upon the connector used. WAGO type screw less connector strips with identification ferrules will be used for external connections on both ends. AC and DC wiring is clearly separated. Panel will have sufficient space for making connection of cables.</p> <p>Earth studs should be provided on both sides of the panel.</p> <p>Necessary individual gland plates to receive power cables, control cables.</p> <p>Sufficient space should be provided in power chamber for termination of load cables.</p>
4.	DG SET	
4.1	Noise level	75db (A) at 1 meter from the canopy & conform to noise level norms (CPCB norms)
4.2	Acoustic material	Poly Urethane foam, 50mm thick
4.3	Battery	12V, With Suitable Ah rating
4.4	Acoustic Enclosure	The sound proof enclosure should be free standing, floor mounting out-door weather proof (water tight) type independent of EA set. The enclosure should be modular in construction so that it can easily be

Request for proposal (RFP) for maintenance of 390 ICT Labs

		assembled at site. Should be designed for reducing the sound level around the enclosure.
4.5	Fuel Tank	Base Tank with Fuel capacity suitable for 12Hrs running.
4.6	Ventilation & Air circulation	<p>The system should provide air inlet/exhaust acoustivlouvers for efficient air circulation and have following feature:</p> <ul style="list-style-type: none">(i) Adequate ventilation to be provided to meet air requirement for combustion and heat removal(ii) The temperature inside the enclosure should not exceeds 5-7 deg C. than the ambient temperature of even 48 degree Celsius, near air suction point.

Annexure – IV

Specification of DLP Multimedia Projector (In focus)

CD Data Projector (XGA/ SXGA)

- DLP Panel: Active Matrix Polysilicon (X3)
- Resolution: Minimum 1024 x 768 Pixels/ 1024 x 1280 Pixels
- 500 TV Lines or better
- 16 million colors Standards: Composite PAL/ SECAM/ NTSC/ M-NTSC, S-Video, VGA, Macintosh, SVGA, SXGA, XGA
- Screen Size: 40-200 inches or better (diagonally)
- Lamp: UHP/ UHE Lamp of suitable capacity
- Brightness: Minimum 2500 ANSI Lumens
- Contrast Ratio: Minimum 1500:1
- Terminals (Minimum):
 - Video In: 2 Ports
 - Video Out
 - Computer Audio in
 - S-Video in
 - AV in, AV in USB Port.
 - Indicators: Power, Lamp Life, Temperature
- Power Source: 220-240V/ 50Hz
- Carry Case
- Full Function Remote Control
- Laser Pointer
- Keystone Correction
- Ceiling mount kit, Projection screen (6' x 4').

Annexure-V

Specifications of Laser Printer

Specifications
<ul style="list-style-type: none">• Print Speed: Up to 22ppm in A4• Resolution: Up to 1,200 x 600 dpi effective output• Duplex: Manual• First Print Out Time: Less than 10 seconds (From Ready Mode)• Interface: Compatible with USB 2.0• OS Compatibility: Windows 2000/XP/2003 Server/Vista Various Linux OS Mac OS X• Duty Cycles, Monthly: Up to 8,000 pages

Subject: Proposal for Operation and Maintenance (O&M) of existing ICT infrastructure purchased under ICT project

Dear Sir,

1 We, the undersigned bidders, having read and examined in detail all the bidding documents in respect of outsourcing the Operation and Maintenance (O&M) of the existing ICT infrastructure of ICT project and do hereby propose to provide the same as and when required.

2 **PRICE AND VALIDITY**

2.1 All the prices mentioned in our proposal are in accordance with the terms as specified in bidding documents. All the prices and other terms and conditions of this proposal are valid for a period of 120 days from the last date of submission of bids.

2.2 We do hereby confirm that our bid prices include all taxes and cess including Income Tax etc. as indicated in the price bid.

2.3 We have studied the Clauses relating to valid Taxes and if there is any increase or decrease, the same shall be passed on to the department.

3 **EARNEST MONEY**

We have enclosed the required earnest money in the form of Bank Draft in the Technical Bid envelope. It is liable to be forfeited in accordance with the provisions of bid document.

Request for proposal (RFP) for maintenance of 390 ICT Labs

4 QUALIFYING DATA

We confirm having submitted in qualifying data as required by you in your tender document. In case you require any further information/ documentary proof in this regard before evaluation of our bid, we agree to furnish the same in time to your satisfaction.

5. CONTRACT PERFORMANCE SECURITY

We hereby declare that in case the contract is awarded to us, we shall submit the performance Guarantee Bond in the form of Bank Guarantee/Draft as per the terms and condition of the bid document

6 We hereby declare that our proposal is made in good faith, without collusion or fraud and the information contained in the proposal is true and correct to the best of our knowledge & belief.

7 Bid submitted by us is properly sealed and prepared so as to prevent any subsequent alteration and replacement.

8. We understand that you are not bound to accept the lowest or any bid you may receive.

Thanking you,

Yours faithfully,

PROFORMA-III

CHECKLIST & ORDER IN WHICH DOCUMENTS ARE SUBMITTED

(To be filled by the bidder)

Name of Vendor: _____

S. No	Condition / Item	Yes/ No	Page S.No.(s)	Remarks
1	Bid Proposal sheet duly filled-in, signed and complete in all respects. (Proforma -I)			
2	Qualifying data duly filled in as per relevant Proforma provided in the bid proposal that the bidder is eligible to bid and is qualified to perform the contract, as and when required to do so (Proforma –II of Section V)			
3	The Bidder must furnish Earnest Money Deposit (EMD) of Rs. 20,000 which shall be in the form of Demand Draft drawn on any scheduled bank in favour of DSE, Haryana “payable at Panchkula”, failing which the bid will be rejected.. This earnest money is to be submitted along with the pre-qualification documents. This amount is refundable on finalization of successful bidder.			
4	Consortium is Not allowed			
5	The bidder must have an average annual turnover of Rs 10 Crores over last 3 preceding financial years i.e. 2011-12, 2012-13& 2013-14 years with the condition that the annual turnover in any of these years was not less than 4 crore from IT Hardware/Infra Maintenance Services. Please attach proof duly signed and certified by the Chartered Accountant/Auditor of the Company.			
6	The Bidder must have executed successfully at least two similar projects of minimum revenue from services being Rs. 1.00 Crore (Rupees One Crore) per annum in Govt. Sector/ PSUs/ Banks in the last three years. Please attach proof of certificates of running/completion satisfactorily of these projects from respective clients.			
7	The bidder must have at-least 30 field engineers for repair and maintenance support on the direct payroll of Bidder Company. Attach the copy of list mentioning their Name, Mobile Number, and Place of Posting. Proper ID card of personnel issued by MSP mentioning clearly the designation as per the work assignment.			

Request for proposal (RFP) for maintenance of 390 ICT Labs

8	The Bidder must have valid PAN issued by Income Tax Authorities, India. Attach copy.			
9	The Bidder must have valid Service Tax No., Sales Tax/ VAT No. Attach copy			
10	Bidder must have Online Call Registration System and a dedicated Call Centre with toll free numbers to register the hardware related complaints. The list of Phone Numbers of Call Centre and the URL of Online Call Registration System will be intimated before signing the contract. . If toll free number facility is not existing, the bidder will arrange the facility before start of support services			
11	The spares to be replaced under this contract should be of same or higher specifications of the already installed in the schools. The Bidder shall give a certificate regarding the use of quality & genuine components for IT Resources.			
12	The client reserves the right to carry out the capability assessment of the Bidders and the client's decision shall be final in this regard

Section VI

Service Level Requirement

Service Level Requirements (SLR) mentioned here is binding for the selected vendor. Notwithstanding the Technical Bid proposed by the bidders, these SLRs will be applicable to the selected vendor.

A. Working Time

Working time for the School users should be school timings (Monday to Saturday, except holidays in the respective offices as declared from time to time)

B. Help Desk Response Time

Definition	Time in which a complaint / query is responded to by the IT service management.																			
Service Level Requirement	The Help Desk Response Time benchmarks provided here are guidelines for THSP to implement.																			
Measure of Service Level Parameter	<p>Any Help Desk query should be classified in following three categories: Service Level 1 (S1): Problems affecting all users in a School. Service Level 2 (S2): Problems affecting more than five users in a School but not all users. Service Level 3 (S3): Problems affecting less than five users in a School.</p> <p>The Selected vendor should provide service as per the following requirements:</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="background-color: #e0e0e0;">Type of Query</th> <th style="background-color: #e0e0e0;">On-Site Response Time (if required)</th> <th style="background-color: #e0e0e0;">Helpdesk Response Time</th> <th style="background-color: #e0e0e0;">Report to DSE (via defined email / fax / telephone / SMS)</th> </tr> </thead> <tbody> <tr> <td align="center">S1</td> <td align="center">Next working day</td> <td align="center">30 minutes</td> <td align="center">5 minutes</td> </tr> <tr> <td align="center">S2</td> <td align="center">Two working days</td> <td align="center">1 hour</td> <td align="center">8 hours</td> </tr> <tr> <td align="center">S3</td> <td align="center">Three working days</td> <td align="center">2 hours</td> <td align="center">Weekly as part of Help Desk logs</td> </tr> </tbody> </table>				Type of Query	On-Site Response Time (if required)	Helpdesk Response Time	Report to DSE (via defined email / fax / telephone / SMS)	S1	Next working day	30 minutes	5 minutes	S2	Two working days	1 hour	8 hours	S3	Three working days	2 hours	Weekly as part of Help Desk logs
Type of Query	On-Site Response Time (if required)	Helpdesk Response Time	Report to DSE (via defined email / fax / telephone / SMS)																	
S1	Next working day	30 minutes	5 minutes																	
S2	Two working days	1 hour	8 hours																	
S3	Three working days	2 hours	Weekly as part of Help Desk logs																	

C. Help Desk Requirements Time

Definition	Time in which a complaint / query is resolved after it has been responded to by the IT service management								
Service Level Requirement	The Help Desk Response Time benchmarks provided here are guidelines for THSP to Implement								
Measure of Service Level Parameter	<p>Any Help Desk query should be classified in following three categories:</p> <p>Resolution Level 1 (RL1): Queries whose resolution requires additional investment in components or time. For example, purchase of printer, software replacement of hardware or software bug fixing etc.</p> <p>Resolution Level 2 (RL2): Queries whose resolution requires replacement of hardware or software parts, which will require significant interruption in working of that component. For example, installation of operating system, replacement of switch etc.</p> <p>Resolution Level 3 (RL3): Queries whose resolution requires changes in configuration of hardware or software, which will not significantly interrupt working of that component. For example, installation of printer on a client, replacement of LAN chord etc.</p> <p>The Selected vendor should provide service as per the following requirements:</p> <table border="1"> <thead> <tr> <th>Type of Query</th> <th>On-Site Response Time (if required)</th> </tr> </thead> <tbody> <tr> <td>R1</td> <td>As mutually agreed by School and the selected vendor on case-to- case basis subjected to 6-7 working days. If beyond 7 days, permission of HQ, DSE is required to be obtained</td> </tr> <tr> <td>R2</td> <td>Three working days</td> </tr> <tr> <td>R3</td> <td>One working day</td> </tr> </tbody> </table>	Type of Query	On-Site Response Time (if required)	R1	As mutually agreed by School and the selected vendor on case-to- case basis subjected to 6-7 working days. If beyond 7 days, permission of HQ, DSE is required to be obtained	R2	Three working days	R3	One working day
Type of Query	On-Site Response Time (if required)								
R1	As mutually agreed by School and the selected vendor on case-to- case basis subjected to 6-7 working days. If beyond 7 days, permission of HQ, DSE is required to be obtained								
R2	Three working days								
R3	One working day								

Request for proposal (RFP) for maintenance of 390 ICT Labs

Up-time/Penalty

Definition	Up-time is defined as the percentage of the total available time during which the equipment is available / performing.						
Service Level Requirement	The up-time for each site measured on a quarterly basis (in tune with the payment cycle) should be more than or equal to 95%.						
Measure of Service Level Parameter	<p>For each laboratory (lab), the uptime in 1 quarter period will be calculated as:</p> <table border="1" style="width: 100%; border-collapse: collapse; margin-bottom: 10px;"> <tr> <td style="width: 20%; padding: 5px;">Total available hours</td> <td style="padding: 5px;"> = 9 working hours per day * working days in 1 quarter period * { No. of Servers + No. of PCs + No. of DG Sets + No. of Projectors + No. of UPSs + No. of Printers} in a lab </td> </tr> <tr> <td style="padding: 5px;">Total downtime hours</td> <td style="padding: 5px;"> = downtime in hours for all Servers * 5 + downtime in hours for all PCs * 1 + downtime in hours for all DG Set* 4 + downtime in hours for all Projector* 1 + downtime in hours for all UPSs * 5 + downtime in hours for all Printer* 3 </td> </tr> </table> <p style="text-align: center;"> $\text{Average up-time} = \left(1 - \frac{\text{Total downtime hours}}{\text{Total Available hours}} \right) * 100\%$ </p> <p>The Selected vendor should provide software / tools / mechanisms to measure the same. The tool /mechanism should be able to provide DSE / School with historical information about the up-time &down-time of the equipment.</p>	Total available hours	= 9 working hours per day * working days in 1 quarter period * { No. of Servers + No. of PCs + No. of DG Sets + No. of Projectors + No. of UPSs + No. of Printers} in a lab	Total downtime hours	= downtime in hours for all Servers * 5 + downtime in hours for all PCs * 1 + downtime in hours for all DG Set* 4 + downtime in hours for all Projector* 1 + downtime in hours for all UPSs * 5 + downtime in hours for all Printer* 3		
Total available hours	= 9 working hours per day * working days in 1 quarter period * { No. of Servers + No. of PCs + No. of DG Sets + No. of Projectors + No. of UPSs + No. of Printers} in a lab						
Total downtime hours	= downtime in hours for all Servers * 5 + downtime in hours for all PCs * 1 + downtime in hours for all DG Set* 4 + downtime in hours for all Projector* 1 + downtime in hours for all UPSs * 5 + downtime in hours for all Printer* 3						
Penalty for non-achievement of Service Level Requirement	<p>For each lab, penalties will be levied as: (To be based on the report of the respective School Principal).</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 30%; padding: 5px;">Up-time</th> <th style="padding: 5px;">Penalty</th> </tr> </thead> <tbody> <tr> <td style="padding: 5px;">95% or more</td> <td style="padding: 5px;">- Nil -</td> </tr> <tr> <td style="padding: 5px;">Less than 95%</td> <td style="padding: 5px;"> = 0.5% * { (Total Payment due) / (No. of Labs) } * { 95 – (actual up-time in percentage) } The maximum penalty on this account shall be 200% of the total quarterly payment per school </td> </tr> </tbody> </table>	Up-time	Penalty	95% or more	- Nil -	Less than 95%	= 0.5% * { (Total Payment due) / (No. of Labs) } * { 95 – (actual up-time in percentage) } The maximum penalty on this account shall be 200% of the total quarterly payment per school
Up-time	Penalty						
95% or more	- Nil -						
Less than 95%	= 0.5% * { (Total Payment due) / (No. of Labs) } * { 95 – (actual up-time in percentage) } The maximum penalty on this account shall be 200% of the total quarterly payment per school
