Memo No. 1/49-2015-e.Gov.

Dated, Panchkula, the 2.9.2015

**Sub: Enabling Schools with Smart Virtual Class Room Facility - Phase-I-guidelines thereof.**

Kindly refer to the subject cited above.

Department of Electronics and Information Technology, Government of India has approved a project titled as “Enabling all schools with Smart Virtual Classroom Facility – Phase I” Virtual Classrooms are technology enhanced classrooms that foster opportunities for teaching and learning by integrating technology such as computers, networking, specialized software, and audio & visual capabilities. ERNET India has been designated as the implementing Agency for the execution and implementation of the project in Haryana. In the project, 490 schools and 7 DIETs have been finalized on the recommendations of Director SCERT and District Education Officers. Your DIET and School has been decided to be covered in the said project.

Following DIETS shall cater the schools falling in the Districts mentioned against their name for coverage of these 490 schools under the project:

| <b>Sr. No.</b> | <b>Name of DIET</b>   | <b>Name of Districts to be covered by the concerned DIET</b> |
|----------------|-----------------------|--|
| 1.             | DIET Mohra            | Ambala, Panchkula Yamunanagar                                |
| 2.             | DIET Ding Sirsa       | Sirsa, Fatehabad, Jind                                       |
| 3.             | DIET Janauli, Palwal  | Palwal, Mewat,, Faridabad                                    |
| 4.             | DIET Mahendergarh     | Mahendergarh, Bhiwani, Jhajjar,                              |
| 5.             | DIET Matarsham, Hisar | Hisar, Rohtak, Kurukshetra                                   |
| 6.             | DIET Kaithal          | Kaithal, Karnal, Panipat                                     |
| 7.             | DIET Gurgaon          | Gurgaon, Sonapat, Rewari                                     |

All Heads of institutions (Schools and DIETs) are directed to ensure the availability of infrastructure like Room space, Electricity, earthing of electricity and requisite bandwidth by the end of August 2015. It is pertinent to mention that all 490 schools are either High or Senior Secondary School, and all such schools have been covered under "ICT in school" scheme for which electricity connection is must and it should be available in all schools. However, schools should ensure that proper earthing is available in the school. Similarly, to provide 2 mbps bandwidth of internet, they shall ensure that appropriate broadband connection (wired or wireless) is procured by them for which expenditure can be borne out of the funds available in the school, instruction for which have already been issued vide letter No. 1/66-2015-e-Gov. dated 22.6.2015.

It may also be ensured that requisite resources are made available to make the project successful.

Detailed guidelines contained in the MoU to be signed between Department of School Education and ERNET, India are enclosed herewith for your reference. It is recommended to go through the guidelines properly for successful implementation of the project.

This may please be given top priority and importance.

Technology Officer cum  
State Level Project Coordinator-II  
For Director Secondary Education,  
Haryana, Panchkula

Endst. No. 1/49-2015-e.Gov.
