4. Do not play with the system after submission of your preferences. This can put your preferences into edit mode without final submission unknowingly. Also avoid last hour login to your account. This could also propel you into a position of non-confirmation of your preferences.
5. Condition of non-posting of teachers of below 50 age in Girls Schools has been removed in the revised transfer policy.
6. Teachers can opt schools of a zone of their choice across districts.
7. Teachers eligible for transfer should give ample number of options of schools to ensure school of their choice. In the absence of less number of preferences they may not get school of their choice failing which they can be posted anywhere in the State.
