**PA/AD(Admn.-II)/2016/14**

**Dated:08.06.2016**

**Subject: Use of technology for sharing information.**

*All Dear DEOs,*

All DEOs may be aware of the fact that communication in an organisation/department is an essential requirement. The channels of communication should always be open so that administration of the department may be carried on in an efficient and effective manner. The modern technology offers many options for a sound communication and some of these are E-mail, Website of Department and WhatsApp etc. The user friendliness of WhatsApp in some circumstances is matchless. Most of our DEOs use this mode of communication which needs to be appreciated that they have adopted latest communication modes being leaders of a department saddled with the responsibility of spreading awareness/education in the society. However, some of the DEOs have either not disclosed their WhatsApp number they use or they do not use WhatsApp at all. Both these situations are undesirable because we need to be the alert and active in the matters of sound communication for a sound health of the organisation we work in.

Therefore, it has been decided that all DEOs shall disclose their WhatsApp numbers to the Headquarter, if they already have one, or they shall start a WhatsApp number immediately and inform this number to the Headquarter within two days. The WhatsApp group in the name of 'DSE\DEOs' has already been started which has the class one officers of the department as its members.

*With regards,*

*Virender Singh*
