Memo No: 2/140-2016-PGT-II(1)

Date: 23.11.2016

**NOTICE**

(regarding 2<sup>nd</sup> transfer drive of PGTs)

Whereas, the transfer preferences were to be taken from 22.11.2016 (noon) upto 23.11.2016 (mid night). This calculation was based on analytical discussions and the logical and procedural assumptions, with the MIS Vendor (i.e. MKCL). But some technical snags cropped up during the processing of drive on account of relieving/joining/profile-updation pendency and period. Some teachers, despite many notices and instructions, failed to comply with the updation requirements. Consequently, it impacted on the processing of the drive. These are technical issues which are normally encountered during a process, hence cannot be foreseen with utmost certainty.

Presently, the resolution of these issues in course of the process is being done by the MKCL software engineers. Going by the latest analytical discussion had with the MIS vendor / MKCL, it is reasonably expected that MIS Portal will start accepting preferences approximately from 24.11.2016 (2 PM).

In view of above, the preferences will be accepted upto 26.11.2016 (11:59:59 PM).
