**Notice**  
 (regarding 2<sup>nd</sup> transfer drive of PGT)

With the prepration of the 2<sup>nd</sup> transfer drive, it was examined statistically before issuing the transfer orders out of it. Upon examination it was found that:

1. In some subjects the number of participants was more than the number of posts offered for prefrenes. This happened because many teachers (including guest teachers) occupied two posts each due to pending relieving/ joining on MIS portal.
2. Many teachers during the process of drive represented before the authorities for their inclusion in/ exclusion from the transfer drive.

As these teachers could not be given relief without stopping the drive process, so it has been stopped and decided to start the transfer drive process afresh after upadation required to run the drive. Accordingly, necessary directions have been issued to all DEOs/ Head of offices to update the relieving and joining of the teachers on the MIS portal in a time bound manner. Thereafter, next steps of starring the drive like taking prefrenes etc. would be initiated.
