Memo No. 15/11-2016 HRL (3)

Dated: 29.06.2016

Subject: Joining of duties by promotee PGTs.

On 17.06.2016 the directorate issued posting orders in respect of the TGTs promoted to the post of PGTs in various subjects. Due to different legal and administrative reasons these orders were made expeditiously in the best possible interest of the teachers. Admittedly, some compassionate criteria like, widow, handicap, ailments etc. could not be considered at then.

Resultantly, some teachers have faced extreme hardships in joining their newly allotted stations.

To further address such problems, it has been decided that:

“Those promoted PGTs who have not got themselves relieved from the posts of TGTs and do not intend to join now, for any reasons, may apply online for the choice of stations during the general transfers to be effected very shortly. The orders so generated by the online application software shall automatically supersede the present posting orders dated 17.06.2016. Till general transfers these teachers who have not been relieved so far may continue at the present stations as TGTs, if they wish so.”

In this context, it is made clear that those TGTs who have already joined as PGTs shall also have to participate in the online transfer exercise so that their grievances may be redressed on basis of ‘weightage points + choices’ in a transparent manner.

It is also informed that the promotion details regarding these teachers have already been updated at the HQ level. When options for the stations would be asked then, like other teachers’ profile, their MIS profile would also respond to record their choices.
