ORDER

No. 1/34-2017 e-gov
Dated: 11.07.2017

For the re-employment of retired teachers an MIS portal has already been launched. But, inspite of this, it has been seen that many re-employment cases are being sent/forwarded to the Directorate by the field offices or the employees concerned.

In this respect, it is made clear that no other parallel mode of re-employment can be adopted than the MIS portal. Hence, in future, no such cases for re-employment be sent to the Headquarter. All retired teachers desirous of being re-employed may be guided to take services of the MIS portal which is an absolutely fair and transparent tool.

If, in future, it is observed that manual cases are being sent or forwarded then it would be a demerit in respect of the forwarding officer as well as the applicant teacher and necessary action shall follow.

Last but not least, the Directorate branches are advised not to entertain or put up in cases of re-employment on file because the new policy being implemented through the MIS portal is already in place.
