\*\*\*

On the subject cited above.

It has been decided by the department to exercise the process of counseling of surplus PGTs working in Government High Schools / Government Senior Secondary Schools on the basis of rationalization.

The rationalization effort is part of the Department's efforts to improve education quality in the state. The overall goal for rationalization is to ensure that each school has sufficient number of teachers for all subjects, and our work-force is optimally distributed to meet this goal. An optimal teacher-student ratio would ensure that every student benefits from appropriate teacher attention in the classroom.

For this purpose, the counseling of district Ambala, Panchkula and Yamuna Nagar will be held on **26-07-2014** in Panchkula at **Shikshak Sadan, Sector 7, Panchkula**. The District Education Officers of Ambala, Panchkula and Yamuna Nagar are directed to ensure to reach the venue at 9.00 AM on 26.07.2014. The counseling will be held from 9 AM to 5 PM on the same day.

The list of surplus PGTs to be called for the counseling are attached herewith. The list has been made available on the Department's web portal. The District Education Officers of the three concerned districts are required to ensure the intimation to all concerned surplus PGTs and ensure their presence for the counseling.
