Memo No. 2/140-2016-PGT-II(1)

Dated: 8.8.2016

**Sub: Keeping in abeyance Transfer orders of special categories.**

Refer to the subject cited above

During the General Transfer Drive under the New Teachers Transfer Policy, 2016 transfer orders in respect of PGTs/Lecturers have been issued for all schools and other institutions across the State. These transfer orders inadvertently included the staff working in SCERT, DIETs, BITE, GETTIs, DMS, DSS, Model Sanskrit Schools, Arohi Schools, PRARAMBH even when the staff working in these institutions did not opt for transfer therefrom. Needless to say, these are the institutions which demands for a staff of a particular orientation and aptitude as well as in special qualifications in some cases. So the process of posting the staff in these institutions requires a judicious objective criteria as well as interviews to select the suitable teachers. As long as suitable staff is not provided there through a selection process, it would not be advisable to allow dislocation of work of any kind.

Therefore, it has been decided that the PGTs/Lecturers who did not opt for or request their transfer from these institutions may not be relieved till further orders.
