ORDER

NO.1/101-2016-eGov.

DATED: 10.8.2016

During the General Transfer Drive under the New Teachers Transfer Policy, 2016 transfer orders in respect of PGTs/Lecturers have been issued on 06.08.2016 for all schools and other institutions across the State. These transfer orders inadvertently included the staff working in SCERT, DIETs, BITE, GETTIs, Model Sanskrit Schools, Aarohi Model Schools, PRARAMBH Institute, DPC offices, DMS & DSS working in District Education Offices, even when the staff working in these institutions did not opt for transfer therefrom.

Needless to say, these are the institutions which demand for staff of a particular orientation, aptitude and in some cases special qualifications as well. So the process of posting the staff in these institutions requires a judicious objective criteria as well as interviews to select the suitable teachers. As long as suitable staff is not provided there through a selection process, it is not advisable to allow dislocation of work of any kind in these institutions on account of the current transfers.

Therefore, all transfer orders in respect of all PGTs/Lecturers, who did not opt for or request their transfer from these institutions, are hereby cancelled.

Further, if any teachers remain without station due to such cancellation of orders as above then they shall report to their respective District Education Officers. Important to note, the PGTs-without-stations will be given opportunity to participate in the next phase of transfer drive being initiated very soon.
