

From

Director Secondary Education, Haryana
Shiksha Sadan, Sector-5, Panchkula

To

All District Education Officers in the Haryana State.

Memo. No. 2/140-2016 PGT-II(1)
Dated Panchkula, the 11-08-2016

Subject:- Clarification regarding transferred policy.

In the aftermath of the current transfers or any other transfer it has generally been seen, through the complaints received from different teachers, that the service actions like grants of leave, re-imburements, increments, ACPs taken by the previous offices are not being recognized by the new offices of a transferee teacher. This kind of attitude on the part of some heads of new offices is creating undue hardships to such teachers who have flooded the Headquarter with their requests and complaints.

Therefore, in no uncertain terms, it is clarified that all approved actions of previous offices are to be honoured by the new office regarding payment of reimbursement grant of increment and ACP. So far as leave i.e. Earned Leave, CCL Leave and Medical Leave are concerned, it is further clarified that, if the employee is already on leave, transferred from 'A' station to 'B' station and join his/her new station, he/she can avail the balance leave already sanctioned by the competent authority.

The salary of employee who is on leave at 'A' station will get his/her leave salary from the station 'A' and after joining at station 'B' on transfer will get his/her salary from station 'B' under intimation to the head of the institution regarding sanction leave.
