BURNING ISSUE

To

All the District Education Officers in the State

Memo No. PA/AD(Admn.)/2017/ 02

Dated, Panchkula, the 25/01/2017

Subject: Disbursal of Scholarship/Incentives to SC/BPL/BC Students.

During the disbursal of the scholarship/incentives through DBT mode it has been noticed that many students who are shown as general categories students on the MIS have been recommended to be paid scholarship meant for the SC students. If it is true, then this is a misappropriation/financial bungling. The department has already suffered such mistakes in the past and many officers of the department are being subjected to investigation/scrutiny through court orders also.

It has also been learnt from some DEOs that the above stated discrepancy is not a real discrepancy in view of the fact that some schools had not updated the SC status of the students on the MIS and shown their status as general category. If the latter observation is true then the department can be saved from charges of financial bungling. But to substantiate this we have to update the MIS details of all these students. Even after updation, some wrong demand would be made then the school DDO/DEO concerned shall be held responsible.

Therefore, you are directed to update the MIS information immediately at the same time the aadhar seeding/mapping of all students be confirmed through return mail. Aadhar mapping in case of some students has been found to be defective by the system and accordingly their benefits could not be made in their accounts. Such failed transactions/beneficiaries are mentioned in the reports enclosed herewith. These discrepancies of Aadhar be corrected within a week by taking up the matter with the banking institutions.
