**Sub: Regarding progress of Aadhaar Enrolment for 0-5 years & 5-18 years age groups in Haryana.**

Kindly refer to various D.O. letters, Emails, letters and meetings on the subject cited above.

It was time and again requested to encourage the parents of students to enroll their children for Aadhaar identification and arrange special camps in schools in consultation with concerned Deputy Commissioner to ensure 100% Aadhaar enrolment of the students. But the progress as on 06.06.2017 is insignificant in the case of Private Schools i.e. 80.3% only and in case of Govt. School it is 99.44%.

It is therefore again requested to ensure that student data alongwith Aadhaar number is to be uploaded on MIS Portal by all Privately Managed Schools latest by 28<sup>th</sup> February, 2017, positively. Further, parents may be encouraged to enroll their children for Aadhaar identification and special camps may be organized in schools in consultation with the concerned Deputy Commissioner. All heads of institutions may be asked to ensure 100% Aadhaar saturation and Aadhaar number of 100% students be uploaded on the MIS portal.
