Notice

After generation of successful and settled transfer orders through the web based application software the **relieving and joining** of a teacher is compulsorily required to be updated on the MIS portal. If this is not done then such posts may be shown as vacant or filled, as the case may be, to the prospective participants in the transfer drives and thereby harming the interest of the teachers whose relieving and joining was to be updated on account of the first orders.

The general transfer orders dated 06.08.2016 have almost been updated by the field offices. Yet, some teachers/ field offices have not so far completed the circuit of relieving and joining. A list of such teachers has been generated and annexed herewith as Annexure 'A'. As the preferences for stations from the prospective participants of the 2nd transfer drive are likely to be invited on Monday, therefore, it has become imperative and emergent that the transfer orders of teachers mentioned in the Annexure 'A' be updated in all respects by 19.11.2016 positively. If a teacher of the 1st drive as mentioned in list 'A' is irresponsibly left out to meet the above requirement then he will be doing so at his own peril and his request for redressal of grievances will not be entertained later and the principals concerned if found wanting on the score shall certainly be punished because this negligence will put the whole department in the bad light.

However, to help out such teachers/ heads of institutions the department has put in place a help desk at 0172-5206666. So, all teachers/head of institutions are strictly advised to complete the relieving/ joining process on the portal.

It is also mentioned here for the information of all concerned that a separate list of pending relieving and joining in

edu
18.11.16

respect of the manual orders issued after 06.08.2016 at the level of HQ will be generated and released tomorrow at earliest possible. This list requires 1st step of updation of MIS Portal at the level of HQ which is being done with the close of the transfer drive of TGTs and it is likely to be completed by tomorrow evening. Immediately thereafter, the list will be published on the website and this list will also follow the same steps of completion of relieving and joining as are being taken in respect of the orders dated 06.08.2016 by the field offices as mentioned in the initial paras of this notice.

It is also very relevant to note that nearly 3500 teachers would be participating in the 2nd drive and all information that is primarily needed for transfer purposes, except relieving and joining wheresoever required, in respect of these teachers shall be updated at the level of HQ.
