

### **Notice**

(regarding updation of students' enrolment data alongwith subject allocation and other fields on MIS Portal)

The School Education Department has already developed an exhaustive MIS software and it is available for use to all concerned. This MIS is envisaged to be a single source of information relating to the school Education Department. At present the module relating to students is fully developed and is in-use. All policies and program of department where information relating to students is required are guided by the information which is available on MIS. Therefore, any gaps in the saturation of information may lead to deficiency in the policies and programs of school education department.

In keeping with this, all DEOs are directed to immediately provide the full information required by MIS in respect of students' enrolment in the government schools.

A list is enclosed herewith which, according to the Head Quarter, is required to be attended to by the schools concerned for updation of the students' information, in particular, the subject allocation to enrolled students.

Here, it would not be out of place to mention that the School Education Department is going to hold deliberations on the new rationalization scheme to be enforced in the coming academic session. As per Teachers' transfer policy this rationalization process is to be completed within the month of December. During the last rationalization exercise some principals provided faulty data, accordingly, they are being proceeded against. Hence, all concerned are advised to provide accurate and up-to-date students' enrolment data as per all the fields of MIS. The indent data be uploaded on MIS by 09.12.2016.

  
Additional Director Administration

## List of schools for whom Subject Allocation to enrolled students on MIS Portal is pending
