All DEOs/DEEOs/BEOs/BEEOs,

Memo No. PA/AD(Admn.)/2017/04

Dated, Panchkula, the 03.02.2017

**Subject: Instructions regarding Counter signatures on the experience certificates for the post of PGTs.**

For the direct recruitment and other purposes, the experience certificate in respect of teachers who are working in Govt./Aided/Private schools is required to be issued, countersigned by the Directorate in the spirit of the recruitment rules. In this connection the following points may be seen :

1. Many candidates who want their experience certificates countersigned by the Directorate are moving from pillar to post as their experience certificates are not being countersigned timely. In this matter, it has been seen that the DEO/BEO offices are not attending such cases with the due sensitivity and promptness even when the candidates are running short of time to produce certificates before commissions and other authorities. The DEO/BEO offices, on one account or other, are denying to countersign. The authorities below the rank of Director, if they have any objection, are required to mention that fact and forward the experience certificates to the Directorate so that the final decision can be taken. But the DEO/BEO offices are taking final decision at their own level when they choose to refuse to sign and forward the experience certificate to the Directorate. Any complaint of delay shall be taken to be a harassment for vested interests
2. Some DEO/BEO offices are refusing to sign the experience certificates in respect of those schools which are not affiliated to Board of School Education even when such schools are recognised by department of school Education, Haryana. Not only this, some BEOs are, at the same time, countersigning the experience certificates of such Non-BOSE schools it clearly implies that the field authorities are misusing or wrongly interpreting their discretions. So, the DEO/BEOs are instructed that any school which has been recognised by the department of school education Haryana is supposed to be supervised by education authorities of Haryana. The refusal of signing such experience certificates on the pretext of these schools being Non-BOSE schools is completely misplaced. Therefore, the DEO/BEO are instructed to attend to the experience certificates of these schools in the same manners as that of other similarly situated schools.
