Whereas, Smt. Neerja Kumari, PGT (Political Science), became victim of the gun fire incident in the premises of the GSSS Bharan (Rohtak) as a bullet hit her. Now the teacher concerned is admitted in the hospital. And her health condition is also reportedly critical. Further, after being made an eye witness of the firing incident, she and her family feel abjectly unsafe with her posting at GSSS Bharan. So she has requested for her transfer from this school to any other school.

In view of above her request has been considered and accepted and now she is posted at GSSS Singhwa Khurd (Rohtak) [2766] after converting the Post of PGT History given to this school for teaching social science to 9th & 10th classes into the post of PGT (Political Science).

Ordered accordingly.

ORDER

No.: 2/224-2016 -PGT-II(1)

Dated, Panchkula the, 28.09.2016

There are 308 such teachers (*List attached*) who are posted in Zone-6 or Zone-7 and even when these teachers participated in last transfer drive of PGTs they were not transferred by the system, instead, they were marked in the same school of their posting as prior to 06.08.2016. This all happened because the zones/schools they aspired for got allocated to the teachers of higher merit/weightage. And being posted in zone 6 or 7 they were not either included in anywhere in the state category like the 774 cases list. In a way, a protection was given to teachers of 6 or 7 zones.

But subsequently, many teachers of such category have requested that they may be allowed to participate in the next transfer drive of PGTs so that they can explore avenues of further posting by refining their choices of stations more judiciously and realistically.

Their requests have been considered and a sympathetic view has been taken. They will be allowed to participate in the next transfer drive of PGTs.

Ordered accordingly.

Memo No. 2/220-2016-PGT-II (1)

Dated: 29.09.2016

Subject: Clarification regarding List of 774 cases dated 06.08.2016 and List B & D dated 22.09.2016

As you know that on 06.08.2016 vide order no. 1/97-2016-eGov a list of 774 teachers was published on the website. These teachers were asked to participate in next transfer drive of PGTs in the orders dated 06.08.2016 only. As such there was no need to ask them again for participation in the next drive.

But during the analysis of those cases who were given un-opted stations these 774 cases were also taken into account to know as to whether their opted stations were still vacant.

Some cases were found and they were accordingly given their opted vacant stations through List-A & C. There is no ambiguity about it.

However, some cases out of 774 list got duplicated needlessly in List-B and List-D also. Therefore, these cases of List B & D may ignore their inclusion therein as they had already been given a separate arrangement vide order 06.08.2016 of list of 774 for their participation in next transfer drive of PGTs.
